

**State Environmental Commissioner Consent to Fund
National Multijurisdictional Organization(s) (MJO) with
Clean Air Act Section 105 Grant Funds**

By selecting an option below and signing this form, I am indicating I have consulted with the state environmental commissioner or representative regarding our 2022 membership and dues preference for the applicable national MJO and the California Air Pollution Control Officers Association (CAPCOA).

Air Agency Name: **CALIFORNIA AIR RESOURCES BOARD**

Mark the box(es) to select an option(s) and applicable funding information:

<input type="checkbox"/> Request membership in Association of Air Pollution Control Agencies (AAPCA) .	<input checked="" type="checkbox"/> Request membership in National Association of Clean Air Agencies (NACAA) .
<input type="checkbox"/> Request AAPCA 2022 dues paid by redirecting an estimated \$[] of my agency's Clean Air Act §105 funds to AAPCA.	<input checked="" type="checkbox"/> Request NACAA 2022 dues paid by redirecting an estimated \$85,511 of my agency's Clean Air Act §105 funds to NACAA.
<input type="checkbox"/> Request AAPCA send a 2022 dues bill directly to my agency. Do not redirect any FY 2021 Section 105 funds from my organization to AAPCA.	<input type="checkbox"/> Request NACAA send a 2022 dues bill directly to my agency. Do not redirect any FY 2021 Section 105 funds from my organization to NACAA.

Mark the box to select an option for **CAPCOA**:

- ☒ Continue regional deduction of California Air Resources Board's contribution for CAPCOA. Estimated amount is **\$129,841**.
- ☐ Bill directly. California Air Resources Board will send contribution to CAPCOA.
- ☐ Do not bill or deduct for CAPCOA. Send all funding to California Air Resources Board.
